

About Us

We design crochet patterns, varying from basic to advanced level, suitable for both beginners and experienced crocheters. The patterns are freely available for download from our website.

'Oddington Village' is the pioneer series of our crochet patterns. The Oddington Village is made up of various characters living in harmony in a town of diversity and full of adventures. The villagers come as buddies or a family ready for you to bring them to life! We also have the crochet patterns for handbags to demonstrate the use of simple to advanced stitches.
